

PRIMARY & JUNIOR SCHOOL

The Primary & Junior School offers a broad learning experience. Work is both stimulating and challenging and delivered through a variety of teaching styles that cater for the different learning styles of our pupils. The primary & Junior School is also proud of its out of class opportunities. Excursions and a Year 6 residential trip are an established part of the curriculum where the classroom extends into our rich country setting. Our extra curricular and community service programmes also offer diverse learning and teaching experiences for our children i.e. Swimming; Basket Ball; Volley Ball, Martial Art...etc.

The Primary & Junior School has a proud tradition of performance. Our pupils take every opportunity to display their skills in oratory drama and dance. This encourages assertiveness and confidence in our pupil population; a trait very evident to visitors to the school.
